

**ADDENDUM NO. 1**  
**SCOPE OF WORK**  
**ROOF REPLACEMENT**  
**CITY OF CRESCENT CITY,**  
**FLORIDA**

*Alternate Roof Membrane Systems will be considered – see reissued invitation to bid.*

*Delete Roof Area E from Scope of Work.*

*HVAC Equipment: Install new support post stands at existing locations. Post stands and all other elements of the HVAC equipment removal and installation of new units, including electrical and chiller line installation and reconnects to be completed by others.*

*Door Access scope of work is deleted and will be performed by others.*

*Gutter and Downspouts: Install new as indicated per plans, except that Contractor will make use of existing down spouts, or provide basis for replacing. PVC downspouts are acceptable substitutes to the extruded aluminum.*

(See Summary of the Work, Section 01 11 00, Part 1, Subpart 1.2.B – Project Scope)
