INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor, City Commission, and City Manager,
City of Crescent City, Florida:

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Crescent City, Florida, (the City), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The City's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City, as of September 30, 2020, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

---	---	--	---

Other Matters

Required Supplementary Information

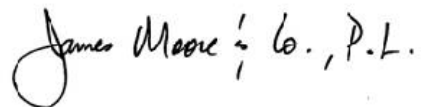

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Crescent City, Florida's basic financial statements. The Water and Sewer Schedule of Revenues, Expenses, and Changes in Net Position has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 18, 2021, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

**CITY OF CRESCENT CITY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020**

Crescent City's management of the City of Crescent City, Florida, we offer readers of the City of Crescent City, Florida's financial statements this narrative overview and analysis of the financial activities of the City of Crescent City, Florida for the fiscal year ended September 30, 2020.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City of Crescent City, Florida's basic financial statements. The City of Crescent City, Florida's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City of Crescent City, Florida's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City of Crescent City, Florida's assets and liabilities, with the difference between the two reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Crescent City, Florida is improving or deteriorating.

The *statement of activities* presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes).

Both of the government-wide financial statements distinguish functions of the City of Crescent City, Florida that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City of Crescent City, Florida include general government, public safety, transportation, parks and recreation and community redevelopment. The business-type activities of the City of Crescent City, Florida include natural gas, water and sewer operations.

The government-wide financial statements can be found on pages 9 – 10 of this report.

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Crescent City, Florida, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City of Crescent City, Florida can be divided into two categories: governmental funds and proprietary funds.

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

CITY OF CRESCENT CITY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020
(Continued)

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City of Crescent City, Florida adopts an annual appropriated budget for its general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 11 – 14 of this report.

Proprietary funds. The City of Crescent City, Florida maintains a proprietary fund. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City of Crescent City, Florida uses enterprise funds to account for its natural gas, water and sewer operations.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide information for the natural gas, water and sewer operations, which are considered to be a major funds.

The basic proprietary fund financial statements can be found on pages 15 – 17 of this report.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City of Crescent City's own programs. The accounting used for fiduciary funds is much like that used for the proprietary funds.

The basic fiduciary fund financial statements can be found on pages 18 – 19 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 20 – 39 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City of Crescent City, Florida, assets exceeded liabilities by \$14,401,202 at the close of the most recent fiscal year.

By far the largest portion of the City of Crescent City, Florida's net position (71 percent) reflects its investment in capital assets (e.g., land, buildings, machinery, and equipment), less any related debt used to acquire those assets that is still outstanding. The City of Crescent City, Florida uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending.

Although the City of Crescent City, Florida's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Total net position	\$ 7,633,250	\$ 6,945,251	\$ 6,767,952	\$ 6,925,674	\$ 14,401,202	\$ 13,870,925

An additional portion of the City of Crescent City, Florida's net position (10 percent) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net position* (\$2,693,266) may be used to meet the government's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the City of Crescent City, Florida is able to report positive balances in three categories of net position for the government as a whole and three categories for its separate governmental and business-type activities.

Governmental activities. Governmental activities increased the City of Crescent City, Florida's net position by \$687,999. In reviewing and comparing expense, to the best of our knowledge, this change in net position is due to the judicious use of funds for the day-to-day operations of the city as well as the following:

- Capital assets still growing through grant funded infrastructure improvements;
- Discretionary sales tax revenue exceeding budgeted expectations;
- Budgeted items from the Discretionary Sales Tax Revenue re: Park improvements were minor and the City Hall renovations were put on hold for a better assessment of needed improvements which lead to an increase in the net position of the restricted discretionary tax; and
- Budgeted items from the Community Redevelopment re: re-landscape HWY 17 is on hold until FY 2021, this lead to an increase in the net position for community redevelopment revenue due to expenditures not exceeding revenues.

Business-type activities. Business-type activities decreased the City of Crescent City, Florida's net position by \$157,722. This decrease was caused in part by the Public Service Commission requiring the City to remove trees from the gas right of way and dig a deeper bore for the gas line for safety purposes. Also, the water department was required to do a major repair to their chlorination system and a repair to the water tower due to vandalism. These were non-reoccurring expenditures.

Financial Analysis of the Government's Funds

As noted earlier, the City of Crescent City, Florida uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of the City of Crescent City, Florida's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the City of Crescent City, Florida's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

CITY OF CRESCENT CITY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020
(Continued)

The general fund is the chief operating fund of the City of Crescent City, Florida. At the end of the current fiscal year, unassigned fund balance and total fund of the general fund was \$1,438,123. As a measure of the general fund's liquidity, it may be useful to compare total fund balance to total fund expenditures. Fund balance represents 95 percent of total general fund expenditures, excluding capital outlay.

A discretionary sales tax of 1% was in place during fiscal year 2020 also known as "Better Place Plan" and is being used to improve the City's infrastructure. The following future projects are being discussed to be included in the city capital improvement plan for this funding source; improvements to the water and sewer departments infrastructure, renovation to the city hall, fire department and the prior police station buildings.

The City has a Community Redevelopment Agency (CRA) fund that will be used for special projects such as landscaping and street improvements and other infrastructure improvements.

Variations occurred during the fiscal year between the general fund original and final budget and between the final budget and the actual revenue and expenses within the general fund. Factors effecting these variations included personnel turn over and the ability of the city to provide adequate staffing levels resulting in over time. There was also an increase in auto, property and liability insurance due to claims.

The fund balance of the City of Crescent City, Florida's general fund increased by \$134,041 during the 2019/2020 fiscal year due to the decrease in expenses over revenues, and the close out of the CDBG Bay Lane paving and Harry Banks Park Improvements.

Proprietary fund. The City of Crescent City, Florida's proprietary fund provides the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position of the Gas fund at the end of the year amounted to \$130,797. The decrease in net position for the Gas fund was \$90,744. Unrestricted net position of the Water and Sewer fund at the end of the year amounted to \$711,520. The decrease in net position for the Water and Sewer fund was \$66,978. This decrease in net position resulted from the increase in cost for maintenance and repair of equipment and increased cost for salary over time.

Capital Asset and Debt Administration

Capital assets. The City of Crescent City, Florida's investment in capital assets for its governmental and business type activities as of September 30, 2020, amounts to \$12,108,431 (net of accumulated depreciation). This investment in capital assets includes land, buildings and improvements, infrastructure and other improvements, equipment and construction in process. The total increase in the City of Crescent City, Florida's investment in capital assets for the current fiscal year was \$310,082.

Major capital asset events during the current fiscal year included the following:

- Bay Lane/ Harry Banks Park Improvements
- Central Avenue paving and Improvement

Additional information on the City of Crescent City, Florida's long-term debt can be found in Note 7 on page 29 of this report.

Economic Factors and Next Year's Budgets and Rates

Many factors are considered each year by the City Commission in its efforts to establish an operating budget, to evaluate its personnel needs, and to develop fees that are reasonable for its citizens. Some of the major factors considered in this process are the local economy, civilian labor force, unemployment rates, and inflation rates. Additional economic factors forecasted for FY2021 include:

- Modest increases in property tax revenue due to improving property tax values
- Additional increases in net assets with minimal impact to the general fund balance as we complete or seek to complete significant grant funded projects such as:
 - Paving improvements to Central Avenue;
- Increase CRA revenue due to increased property values.

All of these factors were considered in preparing the City of Crescent City, Florida's budget for the 2020/2021 fiscal year.

CITY OF CRESCENT CITY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020
(Continued)

The City has sought out consulting services to determine the best use to redevelopment of the city owned "Market Square" property at the southeast corner of Summit Street and Central Avenue, with the initial focus being a hotel/retail development, with no official plans for its development at this time. Crescent City continues to pursue economic improvement into FY2021 with continued pursuit of a true high speed broadband solution for its businesses and residents. The City has plans to seek out a CRA Coordinator to oversee the future CRA projects.

For fiscal year 2021 the city eliminated its police department and contracted with Putnam County's Sherriff's Department to provide law enforcement services. It is anticipated that the result will be a savings to the general fund.

Requests for Information

This financial report is designed to provide a general overview of the City of Crescent City, Florida's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to City's Finance Department, Crescent City, Florida.

**CITY OF CRESCENT CITY, FLORIDA
RECONCILIATION OF THE BALANCE SHEET - GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION
SEPTEMBER 30, 2020**

Fund balances - total governmental funds		\$ 2,234,327
Amounts reported for governmental activities in the statement of net position are different because:		
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds		
Total governmental capital assets	8,315,860	
Less: accumulated depreciation	(3,234,568)	5,081,292
On the governmental fund statements, a net pension liability/asset is not recorded until an amount is due and payable and the pension plan's fiduciary net position is not sufficient for payment of those benefits (no such liability exists at the end of the current fiscal year). On the statement of net position, the City's net pension liability/asset of the defined benefit pension plans is reported as a noncurrent liability. Additionally, deferred outflows and deferred inflows related to pensions are also reported.		
Net pension asset	412,913	
Deferred outflows related to pensions	105,469	
Deferred inflows related to pensions	(67,973)	450,409
On the governmental fund statements, an OPEB liability is not recorded unless an amount is due and payable (no such liability exists at the end of the current fiscal year). On the Statement of Net Position, the City's OPEB liability is reported as a noncurrent liability. Additionally, deferred outflows and deferred inflows related to OPEB are also reported.		
Total OPEB liability		(91,482)
Long-term liabilities are not due and payable in the current period and, therefore, are not reported in the funds. These liabilities consist of the following:		
Compensated absences		(41,296)
Net position of governmental activities		\$ 7,633,250

The accompanying notes to financial statements are an integral part of this statement.

**CITY OF CRESCENT CITY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2020**

Net change in fund balances - total governmental funds	\$ 353,583
Differences in amounts reported for governmental activities in the statement of activities are:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is depreciated over their estimated useful lives.	
Capital outlay expenditures	699,605
Depreciation expense	(250,106)
In the statement of activities, only the gain/loss on sale/disposal of capital assets is reported. However, in governmental funds, the proceeds from the sale increases financial resources. Thus, the change in net position differs from the change in fund balance by the net book value of the capital assets sold/disposed.	
	(32,384)
Governmental funds report contributions to defined benefit pension/OPEB plans as expenditures. However, in the statement of activities, the amount contributed to defined benefit pension/OPEB plans reduces future net pension/OPEB liability (asset). Also included in pension/OPEB expense in the statement of activities are deferred inflow and deferred outflow amounts required to be amortized.	
Change in net pension liability and deferred inflows/outflows related to pensions	(54,832)
Change in total OPEB liability	(17,822)
Under the modified accrual basis of accounting used in the governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the statement of activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when financial resources are available. In addition, interest on long-term debt is not recognized under the modified accrual basis of accounting until due, rather than as it accrues. These adjustments are as follows:	
Change in compensated absences liability	(10,045)
Change in net position of governmental activities	\$ 687,999

The accompanying notes to financial statements are an integral part of this statement.

The accompanying notes to financial statements are an integral part of this statement.

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(1) **Summary of Significant Accounting Policies:**

The financial statements of the City of Crescent City, Florida (the City), have been prepared in accordance with accounting principles generally accepted in the United States of America as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted body for promulgating governmental accounting and financial reporting principles. The following is a summary of the City's significant accounting policies:

(a) **Reporting entity**—The City of Crescent City, Florida, established under Chapter 57-1244, House Bill 1672, of the State of Florida. The legislative branch of the City is composed of an elected five (5) member City Commission. All required by generally accepted accounting principles, the accompanying financial statements present the City as a primary government. Component units, if any, would also be presented.

Component units are organizations for which the City as the primary government is financially accountable. To be considered financially accountable, the organization must be fiscally dependent on the City or the City must appoint a majority of the board of the organization and either 1) be able to impose its will on the organization or 2) the relationship must have the potential for creating a financial benefit or imposing a financial burden of the City.

The accompanying financial statements present the financial position, results of operations and cash flows of the applicable funds controlled by or dependent on the City. In evaluating the City as a reporting entity, management has addressed all potential component units for which the entity may or may not be financially accountable and, as such, be included within the City's financial statements.

(b) **Blended component units**—Blended component units, although legally separate entities, are in substance part of the City's operations, and as a result, considered to be financially accountable. The Community Redevelopment Agency Fund is a special revenue fund used to account for the revenues of the redevelopment tax district. The Community Redevelopment Agency oversees operations of the taxing district. The Agency was organized under Ordinance No. 9504 of the City of Crescent City, Florida on November 9, 1995. The Agency's board is comprised of the City Commission. The Agency met the conditions described above.

(c) **Government-wide and fund financial statements**—The basic financial statements include both government-wide (based on the City as a whole) and fund financial statements. Both the government-wide and fund financial statements (within the basic financial statements) categorize primary activities as either governmental or business type. In the government-wide statement of net position, both the governmental and business-type activities columns are presented on a consolidated basis and are reflected, on a full accrual, economic resource basis, which incorporates long term assets and receivables as well as long term debt and obligations.

The government-wide statement of activities reflects both the gross and net costs per functional category (public safety, transportation, etc.), which are otherwise being supported by general government revenues (property, sales taxes, certain intergovernmental revenues, etc.). The statement of activities reduces gross expenses (including depreciation) by the related program revenues, operating and capital grants. The program revenues must be directly associated with the function or a business-type activity. The operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(1) **Summary of Significant Accounting Policies:** (Continued)

The net cost (by function or business-type activity) is normally covered by general revenue (property, sales or gas taxes, intergovernmental revenues, interest income, etc.). This government-wide focus is more on the sustainability of the City as an entity and the change in aggregate financial position resulting from the activities of the fiscal period. The fund financial statements emphasize the major funds in either the governmental or business-type categories. Non-major funds (by category) are summarized into a single column, if any.

The governmental funds' major fund statements in the fund financial statements are presented on a current financial resource and modified accrual basis of accounting. This is the manner in which these funds are normally budgeted. This presentation is deemed most appropriate to demonstrate legal compliance and demonstrate how the City's actual experience conforms to the budgeted fiscal plan. Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the government-wide statements' governmental column, a reconciliation is presented on the page following the Governmental Funds – Balance Sheet and the Governmental Funds - Statement of Revenues, Expenditures, and Changes in Fund Balances, which briefly explains the adjustment necessary to transform the fund based financial statements into the governmental column of the government-wide presentation.

The City's fiduciary funds are presented in the fund financial statements by type (pension). Since, by definition, these assets are being held for the benefit of a third party (other local governments, private parties, pension participants, etc.) and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

As a general rule the effect of interfund City activities has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments in lieu of taxes. Elimination of these charges would distort the direct costs and program revenue reported for the various functions concerned.

(d) **Measurement focus and basis of accounting**—The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using *the current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(1) **Summary of Significant Accounting Policies:** (Continued)

Taxes, intergovernmental revenue, licenses and permits, charges for services, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the government.

(e) **Financial statement presentation**—The financial transactions of the City are recorded in individual funds. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, reserves, fund equity, revenues and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The GASB Codification sets forth minimum criteria (percentage of the assets, liabilities, revenues or expenditures/expenses of either fund category or the governmental and enterprise combined) for the determination of major funds. The City has one non-major fund, the Voluntary Fire Fund.

The City reports the following major governmental funds:

The **General Fund** is the principal fund of the City, which accounts for all transactions not accounted for in other funds. The majority of current operating expenditures of the City are financed through revenues received by the General Fund.

The **Special Revenue Major Funds** are used to account for the proceeds of specific revenue sources (other than special assessments, or capital projects), which are legally restricted to finance particular functions or activities of the City. These funds include the Community Redevelopment Agency Fund to finance the CRA and the Discretionary Tax Fund to finance improvements to the City's infrastructure.

The City reports the following major proprietary funds:

The **Water and Sewer Fund** was established to account for the revenues and expenses associated with the provision of water, sewer services to the business and residents of the City.

The **Gas Fund** was established to account for revenues and expenses associated with providing gas services to the area.

Additionally, the City reports the following fiduciary funds:

The **Pension Trust Funds** account for the activities of the Municipal Police Officers Pension Plan and the Municipal Firemen's Pension Plan.

(f) **Use of estimates**—Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates assumed in preparing the financial statements.

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(1) **Summary of Significant Accounting Policies:** (Continued)

(g) **Budgets and budgetary accounting**—Annual budgets for all governmental and proprietary funds were adopted in compliance with Florida law. The basis on which the budgets are prepared is consistent with the basis of accounting utilized by the various fund types. The governmental funds' budgets are prepared on the modified accrual basis of accounting. The proprietary funds' budgets are prepared on a full accrual basis of accounting. The City uses the following procedures in establishing the budgetary data reflected in the accompanying financial statements:

- i. Prior to the first day of the new fiscal year, the City Manager submits to the City Commission a budget for the ensuing fiscal year.
- ii. Budget workshop sessions are scheduled by the City Manager and City Commission as needed.
- iii. The general summary of the budget and notice of public hearing is published in the local newspaper.
- iv. Public hearings are conducted to obtain taxpayer comments.
- v. Prior to October 1, the budgets are legally enacted through passage of a resolution.
- vi. The City Commission, by ordinance, may make supplemental appropriations for the year up to the amount of revenues in excess of those estimated.
- vii. The level of classification detail at which expenditures may not legally exceed appropriations is the fund level.
- viii. Appropriations lapse at the close of the fiscal year to the extent they have not been expended. Reserved and designated fund balances are re-budgeted in the year of planned expenditure.
- ix. Budget for the governmental funds are adopted on a basis consistent with generally accepted accounting principles (GAAP). The governmental funds have legally adopted annual budgets contained within a separate document.

(h) **Deposits and investments**—Cash consists of amounts held in demand deposits. Cash equivalents consist of short term investments having a maturity date of less than three months from the date acquired. Investments are reported at fair value.

(i) **Receivables and payables**—Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either “due to/from other funds” (i.e., the current portion of interfund loans) or “advances to/from other funds” (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as “due to/from other funds.” Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as “internal balances.”

All trade and property tax receivables are reported net of an allowance for uncollectible accounts, which is based upon management's analysis of historical trends. Utility operating sales are generally recognized on the basis of cycle billings rendered monthly. Unbilled accounts receivable are accrued by the City at year-end to recognize the sales revenues earned through the end of the fiscal year.

**CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(1) **Summary of Significant Accounting Policies:** (Continued)

(j) **Capital assets**—Capital assets include property, plant, equipment and infrastructure assets. The terms general capital assets and general infrastructure assets relate only to the assets associated with governmental activities, whereas the terms capital assets and infrastructure assets relate to all such assets belonging to the City.

Capital assets are defined by the City as assets with an initial individual cost of \$5,000 or more and an estimated useful life of more than two years. Such assets are recorded at historical cost, if purchased or constructed. Contributed assets are recorded at fair market value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are only capitalized if they meet the dollar threshold above for capitalization. Maintenance and repairs of capital assets are charged to operating expenses. Donated assets are recorded at estimated acquisition value at the date of donation.

Depreciation is reported for the primary government using the straight-line method calculated on a service-life basis to amortize the cost of the asset over their estimated economic useful lives, which are as follows:

Assets	Years
Buildings	20 – 40 years
Improvements other than buildings	10 – 30 years
Infrastructure	20 – 40 years
Equipment	3 – 30 years

(k) **Compensated absences**—It is the City's policy to grant employees vacation leave based upon the number of years of employment with the City. Vacation leave may be used as time off during the year. Full-time employees can accrue up to 480 hours of vacation leave to the subsequent year. Upon termination, employees receive a cash payment equal to 1/2 of the approved days carried over, based upon the applicable employee's current wage rate.

Sick leave is accumulated at a rate of 1.5 hours per week (480 hours maximum) per full-time employee and can be accumulated, but used only for illness.

The portion of employee's payroll costs paid subsequent to year-end attributable to services performed prior to year-end accumulated unpaid vacation, sick leave, and personal leave is recorded and recognized as current liabilities. The remainder of the liability for compensated absences payable beyond the current period is recorded as a long-term liability.

(l) **Long-term obligations**—In the government-wide financial statements and proprietary fund financial statements, long-term debt obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(1) **Summary of Significant Accounting Policies:** (Continued)

(m) **Net position flow assumption**—Sometimes the City will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to determine amounts reported as restricted and unrestricted net position, it is the City’s policy to consider restricted net position to have been used before unrestricted net position is applied.

(n) **Fund equity**—In the fund financial statements, governmental funds report fund balance classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Those classifications are as follows:

Nonspendable - The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. The “not in spendable form” criterion includes items that are not expected to be converted to cash such as inventories and prepaid amounts. It also includes the long-term amount of loans and notes receivable, as well as property acquired for resale unless the use of the proceeds from the collection of those receivables or from the sale of those properties is restricted, committed, or assigned.

Restricted - Fund balance is reported as restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation (i.e. when the government assesses, levies, charges, or otherwise mandates payment of resources (from external resource providers) and includes a legally enforceable requirement that those resources be used only for the specific purposes stipulated in the legislation.

Committed - Fund balance amounts that can only be used for specific purposes pursuant to constraints imposed by ordinance of the City Commission are reported as committed fund balance. Those committed amounts cannot be used for any other purpose unless the City removes or changes the specified use by taking the same type of action it employed to previously commit those amounts.

Assigned - Fund balance amounts that are constrained by the government's intent to be used for specific purposes, but are neither restricted nor committed, are reported as assigned fund balance, except for stabilization arrangements.

Unassigned - Unassigned fund balance is the residual classification for the general fund. This classification represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund.

For spendable resources, is the City’s policy to use its resources in the following order as needed to fund expenses: restricted, committed, assigned, unrestricted.

(o) **Deferred outflows/inflows of resources**—In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has one item, deferred outflows related to pensions, which qualify for reporting in this category. Deferred outflows related to pensions are discussed further in Note (9).

**CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(1) **Summary of Significant Accounting Policies:** (Continued)

In addition to liabilities, the statement of financial position will sometimes report a separate section for *deferred inflows of resources*. This separate financial statement element represents an acquisition of net position that applies to a future period and will not be recognized as an inflow of resources (revenue) until that time. The City has one item, deferred inflows related to pensions, which qualify for reporting in this category. Deferred inflows related to pensions are discussed further in Note (9).

(p) **Implementation of new accounting standards**—At September 30, 2020 and for the year then ended, the City has not implemented any significant new standards.

(2) **Reconciliation of Government-Wide and Fund Financial Statement:**

(a) **Explanation of certain differences between the governmental fund balance sheet and the government-wide statement of net position**—Following the governmental fund balance sheet is a reconciliation between fund balance – total governmental funds and net position – governmental activities as reported in the government-wide statement of net position. A detailed explanation of these differences is provided in this reconciliation.

(b) **Explanation of certain differences between the governmental fund statement of revenues, expenditures, and changes in fund balances and the government-wide statement of activities**—Following the governmental fund statement of revenues, expenditures, and changes in fund balances, there is a reconciliation between net changes in fund balances - total governmental funds and changes in net position of governmental activities as reported in the government-wide statement of activities. A detailed explanation of these differences is provided in this reconciliation.

(3) **Property Tax Calendar:**

Under Florida law, the assessment of all properties and collection of all county, municipal and school board property taxes are consolidated in the offices of the County Property Appraiser and County Tax Collector. The laws of the State regulating tax assessment are also designed to assure a consistent property valuation method statewide. State statutes permit municipalities to levy property taxes at a rate of up to 10 mills. The tax levy of the City is established by the City Commission prior to October 1 of each year and the Putnam County Property Appraiser incorporates the millages into the total tax levy, which includes the County, the School Board and other applicable taxing districts. The millage rate assessed by the City for the fiscal year ended September 30, 2020, was 8.5914 per \$1,000.

All property is reassessed by the County Property Appraiser according to its fair market value as of January 1 of each year. Each assessment roll is submitted to the Executive Director of the State Department of Revenue for review to determine if the rolls meet all of the appropriate requirements of state statutes.

All real and tangible personal property taxes are due and payable on November 1 of each year or as soon thereafter as the assessment roll is certified and delivered to the Tax Collector. All unpaid taxes become delinquent on April 1 following the year in which they are assessed. Discounts are allowed for early payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January, and 1% in the month of February. The taxes paid in March are without discount. All unpaid taxes on real and tangible personal property become delinquent on April 1 of the year following the year in which the taxes were billed. Procedures for the collection of delinquent taxes are the responsibility of the county and are subject to Florida Law.

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(3) **Property Tax Calendar:** (Continued)

Property tax revenues are recognized when levied in accordance with the modified accrual basis of accounting. Delinquent taxes receivable that are measurable, but not available as of the end of the fiscal year are reflected as deferred inflows, if material.

(4) **Deposits and Investments:**

The City's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. All of the bank balance is covered by Federal depository insurance or by collateral held by the City's custodial banks, which is pledged to a state trust fund that provides security for amounts held in excess of FDIC coverage in accordance with the Florida Security for Deposits Act Chapter 280, Florida Statutes.

The Florida Security for Public Deposits Act established guidelines for qualification and participation by banks and savings associations, procedures for the administration of the collateral requirements and characteristics of eligible collateral.

The City has no investments as of September 30, 2020. See Note (9) for Fiduciary Funds.

(5) **Accounts Receivable:**

The City's accounts receivables consist of the following at September 30, 2020:

	Gross Receivable	Allowance for Doubtful Accounts	Net Receivable
Governmental Activities:			
General Fund	\$ 50,316	\$ -	\$ 50,316
Totals – Governmental Type Activities	50,316	-	50,316
Business-Type Activities			
Gas Fund	227,926	(46,000)	181,926
Water and Sewer Fund	152,540	(45,000)	107,540
Totals – Business-Type Activities	380,466	(91,000)	289,466
Totals	\$ 430,782	\$ (91,000)	\$ 339,782

In addition to accounts receivable, the City also recorded \$63,814 in due from other governments at September 30, 2020.

Annual debt service requirements to maturity for the City’s revenue bonds are as follows:

<u>Year Ending September 30,</u>	<u>Business-Type Activities</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2021	\$ 83,087	\$ 62,769	\$ 145,856
2022	86,115	59,833	145,948
2023	89,194	56,781	145,975
2024	92,319	53,611	145,930
2025	95,593	50,322	145,915
2026-2030	532,116	197,669	729,785
2031-2035	635,170	94,140	729,310
2036	141,316	4,566	145,882
Total	<u>\$ 1,754,910</u>	<u>\$ 579,691</u>	<u>\$ 2,334,601</u>

Bonds and loan payables in the City’s business-type activities at September 30, 2020, are comprised of the following obligations:

Gas System Revenue Bonds series 1997A and 1997B, in the original amounts of \$700,000 and \$270,000, respectively, where the City pledges income derived from the constructed assets to pay debt service. Principal and interest is paid annually on September 1, and carry interest at 5% for series 1997A and 4.875% for series 1997B. Bonds mature in 2036.	\$ 621,900
Water and Sewer Revenue Bonds series 2017, in the original amount of \$1,294,041, where the City pledges income derived from the constructed assets to pay debt service. Principal and interest is paid semiannually on March 1 and September 1 and carry interest at 2.85%. Bonds mature in 2036.	1,133,010
Loan Payable to Florida Gas Utility in relation to the City’s Gas Line Relocation Project. The aggregate of total advances not to exceed \$1,586,500. Principal and interest is paid upon payment by FDOT to the City and carry interest at 2 days prior to EOM Libor + 2.5%. Total interest as of September 30, 2020 is \$19,660. The loan payable matures upon receipt of grant proceeds from the FDOT.	149,727
Total long-term debt, business-type activities	<u>\$ 1,904,637</u>

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(8) Interfund Loans, Advances, Fees and Transfers:

The outstanding balances between funds are short-term loans to cover short-term cash flow needs and expected to be repaid in full over the course of the next fiscal year. Individual fund interfund receivables and payables for the primary government at September 30, 2020, are comprised of the following:

	Due From Other Funds	Due to Other Funds
Government Activities:		
General Fund		
Gas Fund	\$ 40,006	\$ -
Water and Sewer Fund	145,794	-
Discretionary Tax Fund	-	14,250
Discretionary Tax Fund		
General Fund	14,250	-
	200,050	14,250
Business-Type Activities:		
Gas Fund		
General Fund	-	40,006
Water and Sewer Fund	23,381	28,145
Water and Sewer Fund		
Gas Fund	28,145	23,381
General Fund	-	145,794
	51,526	237,326
	\$ 251,576	\$ 251,576
Total – All Funds		

For the year ended September 30, 2020, interfund transfers consisted of the following:

	Transfer From	Transfer To
Governmental Activities		
General Fund:		
CRA Fund	\$ -	\$ 52,638
Discretionary Tax	-	7,200
Discretionary Tax		
General Fund	7,200	-
CRA Fund:		
General Fund	52,638	-
Totals – All Funds	\$ 59,838	\$ 59,838

The transfer from the General Fund to the CRA Fund represents the City’s annual share of tax increment payments. The transfer from the General Fund to the Discretionary Fund represents payments for certain repairs and professional services.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(9) Employees' Retirement Plans:

The City sponsors and administers two retirement plans, which are accounted for in separate Pension Trust Funds.

A. General Employee's Pension Plan

The City provided pension benefits for all full time City personnel who had completed one year of employment and were at least 21 years of age through this defined contribution plan. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The City was obligated under resolution #87-05 to contribute an amount equal to 5% of the employee's salary.

On May 1, 2000, the City passed a resolution amending and restating the then-existing plan. The current defined contribution plan is a money purchase plan qualified under Section 401(a) of the Internal Revenue Code. For each plan participant, the current plan established participant-directed investment accounts. Because of these changes, the City has minimal administrative responsibilities related to the plan and no longer has fiduciary accountability for assets in participant accounts. Therefore, those assets are not reported in the accompanying financial statements.

B. Fireman's and Police Officer's Plans:

Plan Description and Administration

The City maintains single-employer defined benefit pension plans for both eligible firemen and eligible police officers. The City of Crescent City Municipal Firemen's Pension Plan and the Municipal Police Officers' Pension Plan (the Plans), which are administered by the Plan's Board of Trustees (the Board) and cover all eligible firemen and police officers. The Board is comprised of 2 members appointed by the City Commission, 2 members elected by the plan members, and a fifth member as elected by the other four members. No stand-alone financial report is issued for the Plan.

Benefits Provided and Employees Covered

The Plans provide retirement, disability and death benefits to plan participants and beneficiaries. Cost of living adjustments are provided to retirees and beneficiaries at the discretion of the City Commission. Benefits under the Fire Pension Plan vest after ten years of full-time employment; and benefits under the Police Pension Plan vest after 8 years. Current membership in the Plan was composed of the following at September 30, 2020:

	Fire	Police
Inactive plan members or beneficiaries currently receiving benefits	1	4
Inactive plan members entitled to but not yet receiving benefits	2	2
Active participants	11	6
Total current membership	14	12

**CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(9) Employees' Retirement Plans: (Continued)

Employees in the Fire Pension Plan attaining the age of 55 and the completion of 10 years of credited service or attaining the age of 52 and the completion of 25 years of credited service are entitled to annual benefits of 3% of their average final compensation for each year of credited service. Employees in the Police Pension Plan attaining the age of 55 and the completion of 8 years of credited service or attaining the age of 52 and the completion of 25 years of credited service are entitled to annual benefits of 3% of their average final compensation for each year of credited service. Normal retirement benefits are payable for life and cease upon death with a guaranteed benefit period of 120 months. Employees attaining the age of 55 and the completion of the minimum years for credited service are eligible for early retirement at an accrued benefit rate this is reduced by 3% per year. In the line of duty disability benefits are equal to at least 42% of average final compensation. Non-service incurred disability benefits are only payable to participants with 10 or more years of credited service and are equal to minimum benefit of 25% of average final compensation.

Financial Statements

The financial statements of the Plans are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. The government's contributions are recognized when due and a formal commitment to provide the contributions has been made. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. All plan investments are reported at fair value. Separate financial statements have not been prepared for the Plans.

Contributions

Legislature grants the authority to establish and amend the contribution requirements of the City and active employees to the respective Boards of Trustees. The Boards establish rates based on an actuarially determined rate recommended by an independent actuary. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of the employees. For the year ended September 30, 2020, the average active employee contribution was 5% of annual pay for Fire employees and 6% of annual pay for both police. For the year ended September 30, 2020, the City was not required to contribute to the police officers and firefighters pension plans.

Contributions to the City's pension plans for the year ended September 30, 2020, were as follows:

	Police Plan	Fire Plan	Total
Employee contributions	\$ 15,623	\$ 2,341	\$ 17,964
City contributions	-	-	-
State contributions	18,233	5,272	23,505
Total contributions	\$ 33,856	\$ 7,613	\$ 41,469

Investment Policy

The pension plan's policy in regard to the allocation of invested assets is established and may be amended by the Board of Trustees by a majority vote of its members. It is the policy of the respective Board of Trustees to pursue an investment strategy that reduces risk through the prudent diversification of the portfolio across a broad selection of distinct asset classes. The pension plan's investment policy discourages the use of cash equivalents, except the liquidity purposes, and aims to refrain from dramatically shifting asset class allocations over short time spans. The following was the Board's adopted asset allocation policy as of September 30, 2020:

**CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(9) **Employees' Retirement Plans:** (Continued)

Asset Class	Police Target Allocation	Fire Target Allocation
Domestic equity	50%	50%
International equity	15%	15%
Broad market fixed income	30%	30%
Global fixed income	5%	5%
Total	100%	100%

Concentrations

The plans did not hold investments in any one organization that represent 5% or more of the Pension Plan's fiduciary net position.

Reserves

As of September 30, 2020, there are no amounts legally required to be reserved for the general, police and firefighter pension funds, respectively.

Investment Balances

The provision under Florida statutes limit investments to: investment in annuity and life insurance contracts of life insurance companies; time or savings accounts of a national bank, a state bank insured by the Bank Insurance Fund, or savings, building and loan association insured by the Savings Associations Insurance Fund which is administered by the Federal Deposit Insurance corporation or a state or federal chartered credit union with shares accounts insured by the National Credit Union Share Insurance Fund; Obligations of the United States or obligations guaranteed as to principal and interest by the government of the United States; Bonds issued by the State of Israel, Bonds, stocks, or other evidences of indebtedness issued or guaranteed by a corporation organized under the laws of the United States, any state or organized territory of the United States, or the District of Columbia, provided that it meets the requirements of Chapter 185.06 (a) and (b) and Chapter 175.071 (a) and (b). The retirement funds measures it's investments using fair value measurement guidelines established by GASB No. 72. These guidelines recognize a three-tiered fair value hierarchy as follows:

- *Level 1:* Quoted prices for identical investments in active markets;
- *Level 2:* Observable inputs other than quoted market prices; and,
- *Level 3:* Unobservable inputs.

At September 30, 2020, the City's pension plans had the following deposits and investments:

	Fair Value	Maturities (in years) Less Than 1	Fair Value Hierarchy Level
Cash	\$ 32,143	\$ 32,143	N/A
Mutual Funds – Fixed Income	568,486	568,486	1
Mutual Funds – Equity	1,225,238	1,225,238	1
Total Portfolio	\$ 1,825,867	\$ 1,825,867	

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(9) **Employees' Retirement Plans:** (Continued)

Net Pension Liability

The components of the net pension liability of the pension plans at September 30, 2020, were as follows:

	<u>Police</u>	<u>Fire</u>	<u>Total</u>
Total pension liability	\$ 971,348	\$ 441,714	\$ 1,413,062
Plan fiduciary net position	(1,125,599)	(700,376)	(1,825,975)
Net pension liability (asset)	<u>\$ (154,251)</u>	<u>\$ (258,662)</u>	<u>\$ (412,913)</u>
 Plan fiduciary net position as percentage of total pension liability	 115.88%	 159.74%	 129.59%

The total pension liability was determined by an actuarial valuation as of October 1, 2018, and measurement date of September 30, 2020, using the following actuarial assumptions to all measurement periods.

	<u>Police</u>	<u>Fire</u>
Inflation	2.50%	2.50%
Salary increases	Service Based	5.00%
Investment rate of return	7.00%	6.50%
Mortality table	RP-2000, Scale BB	RP-2000, Scale BB

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major class as of September 30, 2020, are summarized in the following table:

<u>Asset Class</u>	<u>Long-term Expected Real Rate of Return</u>	
	<u>Police</u>	<u>Fire</u>
Domestic equity	7.50%	7.50%
International equity	8.50%	8.50%
Broad market fixed income	2.50%	2.50%
Global fixed income	3.50%	3.50%

Discount rate:

The discount rate used to measure the total pension liability for the Police was 7.00% and 6.50% for and Fire Plan. The discount rate used to measure the total pension liability for each pension plan varied as discussed on the following pages. The projection of cash flows used to determine the discount rate assumed the plan member contributions will be made at the current contribution rate and that City contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS

(9) **Employees' Retirement Plans:** (Continued)

Changes in net pension liability:

Changes in each plan's net pension liability were as follows:

	Police		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a - b)
Beginning Balance	\$ 877,646	\$ 1,058,605	\$ (180,959)
Changes for year:			
Service cost	54,790	-	54,790
Interest	63,335	-	63,335
Differences between expected/actual experience	44,553	-	44,553
Changes of assumptions	(13,688)	-	(13,688)
Contributions – employer	-	-	-
Contributions – state	-	18,233	(18,233)
Contributions – employee	-	15,623	(15,623)
Net investment income	-	89,402	(89,402)
Benefit payments, including refunds	(55,288)	(55,288)	-
Administrative expenses	-	(975)	975
Net changes	<u>93,702</u>	<u>66,995</u>	<u>26,707</u>
Ending Balance	<u>\$ 971,348</u>	<u>\$ 1,125,600</u>	<u>\$ (154,252)</u>

	Fire		
	Total Pension Liability (a)	Fire Fiduciary Net Position (b)	Net Pension Liability (Asset) (a - b)
Beginning Balance	\$ 416,564	\$ 639,653	\$ (223,089)
Changes for year:			
Service cost	9,214	-	9,214
Interest	27,306	-	27,306
Differences between expected/actual experience	-	-	-
Contributions – city and state	-	5,272	(5,272)
Contributions – employee	-	2,341	(2,341)
Net investment income	-	65,355	(65,355)
Benefit payments, including refunds	(11,370)	(11,370)	-
Administrative expenses	-	(875)	875
Net changes	<u>25,150</u>	<u>60,723</u>	<u>(35,573)</u>
Ending Balance	<u>\$ 441,714</u>	<u>\$ 700,376</u>	<u>\$ (258,662)</u>

Sensitivity of the net pension liability to changes in the discount rate:

The following presents the net pension liability of the City calculated using the selected discount rates, as well as what the City's net pension asset (NPA) would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

Plan	Current Discount Rate	NPA with 1% Decrease	NPA at Current Discount Rate	NPA with 1% Increase
Police	7.00%	\$ (34,546)	\$ (154,251)	\$ (253,055)
Fire	6.50%	(197,003)	(258,662)	(309,798)
Total		<u>\$ (231,549)</u>	<u>\$ (412,913)</u>	<u>\$ (562,853)</u>

**CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(9) **Employees' Retirement Plans:** (Continued)

The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested. For the year ended September 30, 2020, the annual-money weighted rate of return on each pension plan investments, net of pension plan investment expense was as follows:

	Police Plan	Fire Plan
Annual money-weighted rate of return	10.22%	9.91%

Pension Expense and Deferred Outflows and Inflows of Resources Related to Pensions

For the year ended September 30, 2020, the City recognized pension expense (benefit) of \$90,676 and \$(13,379) in the Police and Fire pension plans, respectively, for a total of \$77,297.

At September 30, 2020, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Police Plan		Fire Plan	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 72,359	\$ -	\$ -	\$ 33,097
Changes of assumptions	-	10,266	33,110	-
Net different between projected and actual investment earnings	-	8,632	-	15,978
	\$ 72,359	\$ 18,898	\$ 33,110	\$ 49,075

Amounts reported as deferred outflows and deferred inflows of resources related to pensions being amortized for a period of greater than one year will be recognized in pension expense in succeeding years as follows:

	Police Plan	Fire Plan
2021	\$ 45,883	\$ (5,510)
2022	6,938	(2,248)
2023	6,938	(1,802)
2024	(6,298)	(5,467)
2025	-	(767)
Thereafter	-	(171)

(10) **Other Post-Employment Benefits (OPEB):**

Plan Description—The City of Crescent City, Florida, Post-Retirement Benefits Plan (the Plan) is a single-employer healthcare plan administered by the City. Pursuant to Section 112.0801, Florida Statutes, the City is required to permit participation in the Plan to retirees and their eligible dependents at a cost to the retiree that is no greater than the cost at which coverage is available for active employees. The Plan does not issue a publicly available financial report.

Funding Policy—The City pays 100% of the active employees insurance and retirees can choose to remain on the City's policy into retirement if they pay the entire premium. The insurance carrier charges actives and retirees the same premium rates.

**CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(10) **Other Post-Employment Benefits (OPEB):** (Continued)

Benefits Provided—The Other Post-Employment Benefit Plan is a single-employer benefit plan administered by the City. Retirees are charged whatever the insurance company charges for the type of coverage elected, however, the premiums charged by the insurance company are based on a blending of the experience among younger active employees and older retired employees. The older retirees actually have a higher cost which means the City is actually subsidizing the cost of the retiree coverage because it pays all or a significant portion of the premium on behalf of the active employee, known as the “implicit rate subsidy.”

Plan Membership—At September 30, 2019, the date of the latest actuarial valuation, plan participation consisted of the following:

Active Employees	26
Inactive Employees	0
	26

Total OPEB Liability—The City’s total OPEB liability of \$125,185 was measured as of September 30, 2020, and was determined by an actuarial valuation using the alternative measurement method for small plans as of that date.

Actuarial Assumptions and Other Inputs—The total OPEB liability in the September 30, 2020, actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods in the measurement, unless otherwise specified:

Inflation	2.50%
Salary increases	2.50%
Discount rate	2.14%
Healthcare cost trend rate	7.50%
	Ultimate rate reached in 2075 4.00%
Retirees’ share of benefit-related costs	100.00%

The City does not have a dedicated Trust to pay retiree healthcare benefits. The discount rate was based on the S&P Municipal Bond 20 Year High Grade Rate Index as of September 30, 2020.

Mortality rates were based on the RP-2000 Combined Mortality Table for males and females with mortality improvement projected to the valuation date using Scale AA.

For the fiscal year ended September 30, 2020, changes in the total OPEB liability were as follows:

Balance at September 30, 2019	\$ 100,797
Changes for a year:	
Service cost	10,017
Interest	3,874
Changes of assumptions	15,788
Benefit payments	(5,291)
Net changes	24,388
Balance at September 30, 2020	\$ 125,185

**CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(10) **Other Post-Employment Benefits (OPEB):** (Continued)

Sensitivity of the total OPEB liability to changes in the discount rate:

The following presents the total OPEB liability of the City calculated using the discount rate of 2.14%, as well as what the City's total OPEB liability would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

	1% Decrease	Current Discount Rate	1% Increase
Total OPEB Liability	\$ 133,551	\$ 125,185	\$ 109,391

Sensitivity of the total OPEB liability to changes in the healthcare cost trend rate:

The following presents the total OPEB liability of the City as well as what the City's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1% lower (6.50%-3.00%) or 1% higher (8.50%-5.00%) than the current healthcare cost trend rates (7.50%-4.00%):

	1% Decrease	Current Trend Rates	1% Increase
Total OPEB Liability	\$ 107,906	\$ 125,185	\$ 135,538

OPEB Expense

For the year ended September 30, 2020, the City recognized OPEB expense of \$31,179.

(11) **Risk Management:**

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the City carries commercial insurance. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years. There were no significant reductions in coverage from the prior year.

The City is engaged in routine litigation incidental to the conduct of its municipal affairs. In the opinion of the City's legal counsel, no legal proceedings are pending which would have a material adverse effect on the financial position or results of operations of the City.

(12) **Discretionary Tax:**

The City receives funds from the additional one cent discretionary sales tax from Putnam County that was passed by referendum. The surtax is to be in effect until December 31, 2032, and to be used for roads, sidewalks, parks, improve drainage, resurface roads, improve land for public use, modernize libraries, build water/sewer systems, promote economic development, build or expand government buildings and community centers, improve law enforcement and fire protection systems and facilities, public transportation systems and waterfront assets and accessibility. The City accounts for this revenue source as a Special Revenue Fund.

**CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020**

(13) Commitments and Contingencies:

As of September 30, 2020, the City had the following commitments related to unfinished projects:

Project	Remaining Commitment
Central Avenue improvements (FDOT SCOP Grant)	\$ 680,495
Computer, equipment and system upgrades (JAG Grant)	11,000
	\$ 691,495

The City is engaged in routine litigation incidental to the conduct of its business and municipal affairs. In the opinion of its counsel, no legal proceedings are pending against them, not covered by insurance, which would inhibit the City's ability to perform its operations or materially affect its financial condition.

(14) Subsequent Events:

In March of 2021, the City entered into an agreement with the Putnam County Sheriff's Office (Sheriff's Office) to transfer the responsibility for fulfilling the law enforcement services obligation for the City for an annual sum of approximately \$99,000 paid out quarterly in four equal installments. The City has since transferred ownership of all equipment, vehicles and other related law enforcement property to the Sheriff's Office, and adopted Ordinance 2021-01 to abolish the City of Crescent City Police Department.

(15) Recent Accounting Pronouncements:

The Governmental Accounting Standards Board (GASB) has issued several pronouncements that have effective dates that may impact future financial statements. Listed below are pronouncements with required implementation dates effective for subsequent fiscal years that have not yet been implemented. Management has not currently determined what, if any, impact implementation of the following will have on the City's financial statements:

- (a) GASB issued Statement No. 84, *Fiduciary Activities*, in January 2017. GASB 84 improves guidance regarding the identification and reporting of fiduciary activities. The provisions in GASB 84 are effective for periods beginning after December 15, 2019.
- (b) GASB issued Statement No. 87, *Leases*, in June 2017. GASB 87 aims to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. The provisions in GASB 87 are effective for periods beginning after June 15, 2021.
- (c) GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements*, in May 2020. GASB 96 provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). This Statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset—an intangible asset—and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures established in Statement No. 87, *Leases*, as amended. The provisions in GASB 96 are effective for periods beginning after June 15, 2021.

CITY OF CRESCENT CITY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(16) Risks and Uncertainties – COVID-19:

During the year ended September 30, 2020, local, U.S., and world governments have encouraged self-isolation to curtail the spread of the global pandemic, coronavirus disease (COVID-19), by mandating temporary work stoppage in many sectors and imposing limitations on travel and size and duration of group meetings. Most industries are experiencing disruption to business operations and the impact of reduced consumer spending. There is unprecedented uncertainty surrounding the duration of the pandemic, its potential economic ramifications, and any government actions to mitigate them. Accordingly, while management cannot quantify the financial and other impact to the City as of May 18, 2021, management believes that a material impact on the entity's net position and results of future operations is reasonably possible.

Notes to Schedule:

Valuation Date 10/1/2018 10/1/2015
Actuarially determined contribution rates are calculated as of October 1, four years prior to the end of the fiscal year in which contributions are being reported.

Methods and assumptions used to determine contribution rates:

Funding Method Aggregate Actuarial Cost Method
Salary Increases 5.50% to 10.00% based on years of service
Interest Rate 7.00% per year, compounded annually, gross of investment related expenses.
Payroll Growth None.
Retirement Age 5% per year eligible for Early Retirement. 10% per year eligible for Normal Retirement (with 100% at 3 years beyond Normal Retirement Date). Also, any member who has reached Normal Retirement Age on the valuation date is assumed to continue employment for one additional year. This assumption was adopted following an experience study dated December 1, 2013.

Termination Rates	<u>Service</u>	<u>% Terminating During the Year</u>

Notes to Schedule:

Actuarially determined contribution rates are calculated as of October 1 - two years prior to the end of the fiscal year in which contributions are being reported.

Valuation Date

Methods and assumptions used to determine contribution rates:

Actuarial Cost Method	Aggregate
Asset Valuation Method	Market Value
Inflation	2.50%
Salary Increases	5.00%
Interest Rate	6.50%, net of investment related expenses
Retirement Age	Varies by Age and Service
Mortality	For healthy participants during employment, RP 2000 Combined Healthy Participant Mortality Tables, with 90% Blue Collar Adjustment / 10% White Collar Adjustment for males and 100% White Collar Adjustment for females. Fully generational mortality improvements projected to each future decrement date with Scale BB. For healthy participants post employment, RP 2000 Annuitant Mortality Tables, with 90% Blue Collar Adjustment / 10% White Collar Adjustment for males and 100% White Collar Adjustment for females. Fully generational mortality improvements projected to each future decrement date with Scale BB. For disabled male participants, 60% RP-2000 Disabled Male Mortality Table setback four years / 40% RP-2000 Annuitant Male Mortality Table with White Collar Adjustment with no setback, without projected mortality improvements. For disabled female participants, 60% RP-2000 Disabled Female Mortality Table set forward two years / 40% RP-2000 Annuitant Female Mortality Table with White Collar Adjustment with no setback, without projected mortality improvements.

OTHER REPORTS

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor, City Commission, and City Manager,
City of Crescent City, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Crescent City, Florida (the City), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated May 18, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies identified below to be material weaknesses:

2020-001 – Reconciliation of account balances (Second-Year Repeat Comment)

Various audit adjustments were required to correct account balances due to misclassifications in the original posting, reversal of prior year entries, or missing current-year accruals. The City's controls should include periodic reconciliations of significant account balances, including full accrual-based reconciliations at fiscal-year end to ensure all amounts have been appropriately recorded and budgeted for. We recommend the City increase its review of such transactions, including a review for proper cutoff at the fiscal year-end, to help ensure completeness and accuracy of all financial reporting.

2020-002 – Segregation of duties (Second-Year Repeat Comment)

Due to the limited number of people working for the City, many of the critical duties are combined and assigned to the available employees. Presently, a single individual performs the majority of the accounting functions. To the extent possible, duties should be segregated to serve as a check and balance and to maintain the best control system possible.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies identified below to be significant deficiencies:

2020-003 – Utility billing cash receipts (Second-Year Repeat Comment)

We noted after cash is collected by cashiers for utility and other bill/fee payments, it is deposited into the City's bank account; the deposit slip and all relevant support is brought to management for review. However, this review is not documented. We recommend this review be documented.

2020-004 – Utility billing rates (Second-Year Repeat Comment)

During our testing of utility billing controls, we noted the recalculated sewer usage charge amount was \$2.22 (before taxes) less than the amount included on customer bills. Per discussions with the billing department personnel, this is a known issue where the system incorrectly calculates the sewer fee for commercial customers whose water usage exceeds the minimum sewer rate of \$48.66. This results in the total bill for such customer to be overstated by \$2.22 before taxes. We noted the utility billing department personnel does not have the capability to change the formula in the system that calculates sewer fees. Per review of Ordinance No.1003 regarding water and sewer rates, we also noted that the rates have not changed since 2010. We recommend the City correct the billing system to calculate the utility bills correctly and also perform a utility rate study.

2020-005 – Authorized check signers and electronic transfer funds (Second-Year Repeat Comment)

We noted the Finance Director is an authorized check signer. In order to maintain proper segregation of duties and strengthen internal controls, we recommend that individuals who are involved in the cash and accounting functions of an organization not also be authorized check signers. We also recommend the City implement a procedure requiring a second individual's approval for any electronic transfers of cash.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. In connection with our audit, we noted the following instances of noncompliance:

2020-007 – Debt compliance

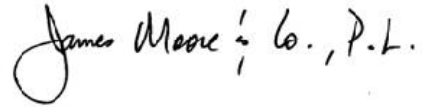

During our testing of debt compliance requirements, we noted that the City is not in compliance with one of the gas bonds requirements as the balance in Gas Renewal and Replacement restricted cash account is below the amount required by the Gas Bonds Agreement and as required by Ordinance 96-02. Further, the balance in unrestricted cash in gas fund is insufficient to make a reclassification to correct this noncompliance. We recommend correcting this noncompliance by transferring sufficient amount into Gas Renewal and Replacement restricted cash account.

City of Crescent City, Florida’s Response to Findings

The City’s responses to the findings identified in our audit are described in the letter titled Management’s Response to the Auditor’s Comments, as listed in the table of contents. The City’s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED
BY CHAPTER 10.550, RULES OF THE STATE OF FLORIDA
OFFICE OF THE AUDITOR GENERAL**

To the Honorable Mayor, City Commission, and City Manager,
City of Crescent City, Florida:

Report on the Financial Statements

We have audited the basic financial statements of City of Crescent City, Florida (the City), as of and for the fiscal year ended September 30, 2020, and have issued our report thereon dated May 18, 2021.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountants' Examination Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated May 18, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Six findings and recommendations from the prior year's audit (2020-001, 2020-002, 2020-003, 2020-004 and 2020-005) have been repeated for two or more years and have not yet been fully corrected. The following summarizes the status of prior year findings and recommendations:

2019-001 Reconciliation of Account Balances – Corrective action not taken. See second-year repeat comment 2020-001.

2019-002 Preparation of Financial Statements – Corrective action taken.

2019-003 Segregation of Duties – Corrective action not taken. See second-year repeat comment 2020-002.

- 54 -

2019-004 Utility Billing Cash Receipts – Corrective action not taken. See second-year repeat comment 2020-003.

2019-005 Utility Billing Rates – Corrective action not taken. See second-year repeat comment 2020-004.

2019-006 Authorized Check Signers and Electronic Transfer Funds – Corrective action not taken. See second-year repeat comment 2020-005.

2019-007 Vendor Listing – Corrective action taken.

2019-008 Interfund activity – Corrective action not taken. See repeat comment 2020-006.

Official Title and Legal Authority

Section 10.554 (1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority for the primary government of the reporting entity is disclosed in Note 1 of the basic financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the City has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the City. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires us to communicate any recommendations to improve financial management. In connection with our audit, we noted the following recommendations:

2020-006 – Interfund activity (Repeat Comment)

During our audit procedures, we noted that balances in Due to/Due From other funds did not change from the prior year. We recommend the City review the accounts and determine which balances can be paid off or reduced.

Additional Matters

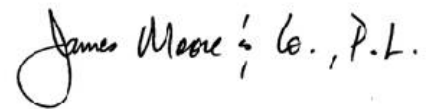

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

City of Crescent City, Florida's Response to Findings

The City's responses to the findings identified in our audit are described in the letter titled Management's Response to the Auditor's Comments, as listed in the table of contents. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and State granting agencies, the City Commission, management, and others within the City and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

We have examined the City of Crescent City, Florida's (the City) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies*, for the year ended September 30, 2020. Management is responsible for the City's compliance with those requirements. Our responsibility is to express an opinion on the City's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the City complied with Section 218.415, Florida Statutes, *Local Government Investment Policies*, for the year ended September 30, 2020, in all material respects. An examination involves performing procedures to obtain evidence about the City's compliance with those requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of risks of material noncompliance with those requirements, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, the City of Crescent City, Florida complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2020.

MANAGEMENT'S RESPONSE TO FINDINGS

2020-001 – Reconciliation of account balances (Second-Year Repeat Comment)

The Aclarian plan provides for the necessary staffing for periodic reconciliation of significant account balances, including full accrual-based reconciliations at fiscal year end.

2020-002 – Segregation of duties (Second-Year Repeat Comment)

The Aclarian plan provides for the necessary staffing to properly segregate duties to serve as a check and balance and to maintain the best control system possible.

2020-003 – Utility billing cash receipts (Second-Year Repeat Comment)

All Cash receipt deposits are verified by a second person usually the Utility Billing Manager and initialed before they are sent to Finance to provide the proper documentation. Then the Finance Director reconciles the deposit to the cash receipts reports and does a test transfer to verify amounts that will be pulled over into General Ledger. Once they are verified and pulled over the Finance Director will post into General Ledger then initial the reports to provide the proper documentation. The cash receipts reports, transfer reports and posting reports are filed for reference if needed. If the test transfer does not match the reports the process is stopped until the variance is resolved by Utility Billing. Once resolved, this process is documented by Utility Billing providing corrected and initialed reports.

2020-004 – Utility billing rates (Second-Year Repeat Comment)

The implementation of the Edmunds GovTech software system will resolve the billing rates calculations. A utility rate study is planned.

2020-005 – Authorized check signers and electronic transfer funds (Second-Year Repeat Comment)

The Aclarian plan provides for the necessary staffing to maintain proper segregation of duties and strengthen controls related to the check processing activities and electronic transfer of funds between the City's bank accounts.

2020-006 – Interfund activity (Repeat Comment)

The city will review the due to/due from accounts prior to the 2020-2021 fiscal year end and make the necessary journal entries to balance the accounts.

2020-007 – Debt compliance

The Gas Renewal and Replacement restricted cash account will be funded according to the Gas Bonds Agreement's required balance from the general fund reserve account prior to 9/30/2021.

AFFIDAVIT

BEFORE ME, the undersigned authority, personally appeared Phil Leary, Interim City Manager, who being duly sworn, deposes and says on oath that:

1. I am the Chief Financial Officer of the City of Crescent City which is a Chartered City of the State of Florida.
2. Crescent City adopted (Ordinance No. 05-005 or Resolution No. _____) implementing an impact fee; and

3. Crescent City has complied and, as of the date of this Affidavit, remains in compliance with Section 163.31801, Florida Statutes.

FURTHER AFFIANT SAYETH NAUGHT.
