

The City of Crescent City Community Redevelopment Agency Redevelopment Grant Program

The Redevelopment Grant is a CRA program that serves to support private redevelopment projects.

OBJECTIVES

- Ensure redevelopment continues, including rehabilitation and renovation of the City's existing older commercial buildings and to improve building infrastructure.
- Assist businesses relocating to a more suitable location and allow for re-merchandising of vacant space.
- Support commercial property owners and listing realtors in obtaining the highest and best use of vacant and semi-occupied properties.
- Eliminate blighted conditions for properties and to offset costs of such upgrades as; ADA, building code, sprinkler systems, utilities, egress, and parking.
- Attract private sector investment.
- Grow employment and business opportunities to sustain the economic health of Crescent City and enhance the quality of life for its residents.

GRANT CATEGORIES

1. The Redevelopment Grant Program is designed to support redevelopment projects in the North, Central and South Districts of the CRA. Since not all redevelopment obstacles are the same, this program allows the CRA the flexibility to choose from a variety of options to facilitate projects that would not happen without CRA assistance at some level. Grant funds will require a redevelopment agreement and target specific elements of the project. Commercial projects include churches and non-profits

- Significant upgrade of commercial properties.
- Improvements to the leasehold space in a comprehensive manner so the building can be prepared for multiple tenants and/or an anchor tenant.
- Redesign and renovation or restoration of the building facade and exterior grounds of the property.
- Redesign and improvement of the public space/streetscape in front of the property.
- Redevelopment of second floor space to accommodate residential units.
- Improvements and actions designed to prevent further deterioration, decay, and general demolition by neglect. This can include termite treatment, stabilization of the structure,

- weatherization, etc.
 - Improvements to residential properties to address slum and blight conditions.
 - Improvements to address deficiencies in ADA, building code, utilities, egress, parking, etc.
2. Housing Rehabilitation Grant Program: The Housing Rehabilitation Grant Program is designed to support the improvement and revitalization of residential properties within the CRA districts. This program provides flexibility to address a variety of housing-related needs that would not be feasible without CRA assistance. Grant funds will require a redevelopment agreement and target four specific elements of the project.

Grant Categories

I. Structural and Safety Upgrades

Significant improvements to ensure the property meets current building codes and safety standards (e.g., roofing, electrical, plumbing, foundation repairs).

Maximum Grant Amount: Up to \$15,000 per property

II. Interior Rehabilitation

Comprehensive upgrades to interior spaces to improve livability and functionality (e.g., flooring, kitchens, bathrooms, HVAC systems).

Maximum Grant Amount: Up to \$10,000 per property

III. Exterior Enhancements

Redesign or improvement of the building façade, landscaping, and exterior features to enhance curb appeal and neighborhood aesthetics.

Maximum Grant Amount: Up to \$7,500 per property

IV. Accessibility and Energy Efficiency

Improvements that increase accessibility (ADA compliance) or energy efficiency (e.g., insulation, windows, solar panels).

Maximum Grant Amount: Up to \$5,000 per property

Additional Conditions

- All proposals must meet State building code requirements and City of Crescent City code requirements, permits must be pulled and projects inspected.
- All grant funds will be paid directly to licensed vendors performing the work.
- A contract must be signed and agreed to that will be recorded, if work is changed or property is sold.

EVALUATION CRITERIA

The project will be evaluated based upon the following criteria.

- Listed on the Targeted Buildings List.
- Contributing Structure in the National Register or Local Historic District.
- National Register or Local Historic Landmark.
- Economic benefit to the surrounding properties and targeted redevelopment properties.

APPLICATION

You must submit a written application. Staff will then work with you to help you meet program conditions that are required for a commitment of funds. Incomplete applications will not be accepted.

CONTRACTURAL AGREEMENT

Approved applicants will have to enter a contractual agreement with the CRA prior to disbursement of grant funds. An agreement will be drawn up which will include the amount of the grant, improvements to be made and a repayment schedule if the improvements are removed or altered by the recipient. Grant funds will be paid directly to vendors performing the work/improvements. All proposals must meet State building code requirements as well as City of Crescent City code requirements.

DESIGN

Design and planning costs directly related to the application for grant funds under the grant program may be reimbursed from grant monies once a contract is signed.

APPROVALS

The City and CRA have the sole authority to determine eligibility of proposed work and confirmation of completed work. Certain work may be required or precluded as a condition of funding. Participants will be responsible for obtaining necessary regulatory approvals, including any needed by City departments or boards and including, but not limited to, building permits and any other necessary permits. All work must comply with city, state, and federal regulations.

COMPETITIVE BIDDING

Applicants are required to get at least three (3) written bids for proposed work. All contractors must be insured and licensed by the State of Florida. All construction contracts will be between the applicant and contractor. Permittable work that requires a licensed contractor must be bid by licensed contractors to be eligible. The CRA will disburse payments directly to the licensed contractor and vendors. Disbursements to the applicant will be based on receipts for materials directly related to the project.

GRANT TIMELINE

Application Deadline

May 2026

Applications with all necessary paperwork must be received at City Hall by end of business on May 1st. Staff will review all applications for accuracy and may request additional information, bids, or other documentation. Staff will rank order the applications based on the criteria for presentation to the CRA Board.

Presentation to the CRA Board

June 2026

Staff will present the applications to the CRA Board with a recommended ranking. The CRA Board will then approve a final ranking for funding in Current FY.

Approval of grant awards

June/July 2026

Grant funding improvements may begin once all completed documentation is received and you are contacted by the CRA

GENERAL CONDITIONS

The following general conditions will apply to all projects:

- Improvements funded by the grant will be maintained in good order.
- Property taxes must be current, and participants may have no debts in arrears to the City when a contract is signed.
- Applicants must show proof of property insurance.
- All projects will display signage indicating the CRA's involvement in the improvement work.
- Signs will be provided by the CRA.
